How can I stay informed about Golf Events and Golf Operations?

To make sure Members of Lochland Country Club are informed about event dates, formats, hours of operation, etc., the following have all of the information our Members need:

- 1) **Golf Program Book.** Every February, the Golf Shop publishes this Golf Program Booklet that is available on our club website. This booklet gives important information on all Ladies' Golf, Men's Golf, Men's/Ladies' Evening Leagues, Junior Golf, and other events that have been booked for that year. The best thing a Lochland member can do is go to the Lochland website, print off a copy of the Master Calendar, and mark off his/her social calendar for all of the golf events and programs that grab his/her attention. The Golf Program Booklet contains event information for every single event (including dates, times, formats and costs) that has been booked as of February 1st.
- 2) **Monthly Newsletter.** The monthly *Forecast* includes all of our monthly information, such as Hours of Operation, Upcoming Events, dates, times, formats, and all of our Golf Programs. ***The Forecast is our PRIMARY means of communicating with our Members.*** If Members do not read the *Forecast*, they will miss out on key information. The *Forecast* is sent to the same address as the monthly billing. If this is a business address, and the Member would like a copy to put on the "fridge" at home, we have extra copies available in the Business Office.
- 3) **Sign-Up Sheets.** Every single sign-up sheet we post has EVERY single piece of information Members will need about the upcoming event. Date, time, format, cost, pairing info, and any other who's, what's, when's or why's. All of the information Members will need about any event is on the sign-up sheet...if everyone gets in the habit of reading the sign-up sheet, everyone will be informed.

Much care has been given in producing information critical to the Golf Operations of Lochland Country Club, however, information does not do any good unless the customer reads and processes the information. Please help us run a well-organized operation by playing this critical role in the information sharing process.

REQUIRED READING FOR ALL LOCHLAND COUNTRY CLUB GOLFERS:

Taking care of our Project Emerald investment

Now that our golf course has fully matured from Project Emerald, it will be critical for our members and guests of Lochland Country Club to follow proper golf course care. If each member and guest does each of the following, we will be able to enjoy our significant investment for decades to come:

- Enter each bunker from the side farthest from the green (called the low side).
Ex: On the #1 greenside bunker, you would enter from the west.
Walking in from the "green side" of the bunker damages the bunker lip.
- Rake each bunker after playing from them.
You know it is NO FUN to hit from a footprint...please do not leave one.
- Fix at least 2 ball marks on each green, even if your ball did not hit the green.

Old ball marks are perfect places for Poa Annua to get a foothold. Please protect our most valuable resource. Even if your ball did not stay on the green, your shot probably left a ball mark...please fix it!

- Keep golf carts completely on paths where paths are provided. Ex: When pulling up to a tee box, keep all 4 wheels on the concrete.
When carts pull off the path in the same spots, grass will not grow there and mud holes will develop.
- Keep golf carts **40 FEET (AT LEAST 5 CART LENGTHS)** off greens.
Carts closer than this compact the soil, creating bad lies and poor turf.
- Replace divots or use sand mixture found on carts to fill in divot holes.
Replacing or filling in divots keeps our new fairways more level.

The Board of Directors at Lochland Country Club understands that Project Emerald and the course shutdown were frustrating at times; however, we thank you for your patience and ask that you help by paying attention to proper golf course care. This project was in the making for over 14 years, and we are excited at the prospects of returning the golf course at Lochland Country Club back to the elevated status we carried in prior decades.

General Golf Etiquette/Speed of Play

Golf is a game that is to be played by LADIES and GENTLEMEN. With the alarming lack of civility found in other American sports, the Golf Committee encourages all members and their guests to treat others with consideration. ***If all of our members and their guests do the following, the golf experience here at Lochland Country Club will be second to none:***

- ***ALWAYS allow faster groups to “play through”.*** There is no such thing as “right-of-way” on a golf course. Unlike popular folklore, 4’somes do NOT have precedence over 1’somes, 2’somes or 3’somes. If the group behind is pushing you, move to the rough behind a tree and wave them through.
Conversely, if you are a 2’some in a cart, you should not expect to play rapidly during busy times on the golf course. As per Golf Committee rule, the Golf Shop can only approach groups about slow play if they are not on a 2-hour pace for 9 holes.
- Always make a tee time, either through our website or by calling 462-8783.
- Always check in with the Golf Shop before going onto the Golf Course.
- Sign up for golf events in advance in the hallway next to the Player's Lounge. This is preferable to calling the Golf Shop due to spelling errors, accuracy, etc.
- Avoid cell phone usage as much as possible.
- Take only 1 practice swing. More than one wastes EVERYONE'S time.
- If you are riding in a cart, the driver should drop the passenger off at his/her ball with several clubs before proceeding to the driver's ball.
- After hitting up on the green, place your bag in the rough between the pin and the next tee box.
- Unless you are in an actual tournament, ***ALWAYS forego honors.*** After holing

your putt, proceed immediately to the next tee box. The last two players in the group should get the pin. This is not rude...it is just smart golf.

- Be at the tee box, ready to tee 1-2 minutes before your scheduled tee time.
- Do NOT go to the tee box more than 2 minutes BEFORE your tee time...this confuses the other golfers as to whom has the tee box next.
- NEVER cut in front of another group (see bullet point above)
- If someone in the foursome has hit into a greenside bunker, the person on the green closest to the hole (the one who will putt last) should go get the rake and rake the bunker for the other player. This will greatly speed up play.
- Always watch where your ball STOPS. This simple advice will save tons of time looking for your ball.
- If you think your ball may be Out-of-Bounds or Lost Outside a Hazard, play a second ball and declare it as a "Provisional" ball. Look only for 5 minutes for the original before proceeding to your provisional ball.
- If you are NOT playing in a tournament, **PICK UP your ball after making your MAXIMUM ALLOWABLE SCORE** according to your USGA handicap (see the ESC tables on the wall next to the hdcp computer in the Player's Lounge).

Lochland Country Club Dress Code...

You have been seeing more information in signage regarding the dress code here at Lochland Country Club. Due to several complaints to the Lochland Country Club Board of Directors about society in general becoming too "casual", we have been asked to step up enforcement of the Dress Code. Informing a Member or a Guest that they are inappropriately dressed is ***NEVER*** a pleasant endeavor... it is certainly not enjoyable to tell an individual that what they are wearing is not acceptable to their peers. You, as a Lochland Country Club Member, are asked to please follow this Dress Code, ***and it is your responsibility, as a Member, to explain this Dress Code to your guests BEFORE they come to the Club.*** Here is a simple description of what is acceptable and unacceptable for clothing worn at Lochland Country Club:

MEN

Acceptable: Collared Golf Shirt or Oxford, slacks, golf shorts or denim without holes, non-metal spiked shoes

Unacceptable: Athletic Shirts that do NOT cover half of the neck (Under Armour, Nike, Adidas, etc.), tee shirts, denim with holes, cut-off shorts, sweatpants, baseball caps or visors on backwards or to the side. Metal-spiked shoes, cowboy or waffle-soled boots, hard-soled shoes

LADIES

Acceptable: Collared Golf Shirt, Collared Sleeveless Golf Shirt, Non-Advertisement shirt with sleeves, appropriate length golf shorts, golf skirts, slacks and denim without holes, non-metal spiked shoes

Unacceptable: ANY sleeveless shirt without a collar, advertisement tee shirts (Aeropostale, American Eagle, Juicy, etc.), athletic shirts, athletic shorts, yoga pants or metal spiked/hard-soled shoes.

Please understand that the Management of the Club has been asked to increase enforcement of these rules by the Board of Directors. We do NOT want to embarrass any Member or Guest here at the Club, nor do we enjoy the process; however, if clothing worn by a Member or Guest does not meet the criteria established by the Board, the individual will be asked to change or purchase appropriate clothing in order to play.

Making Tee Times at Lochland Country Club

1. Tee times may be made at Lochland Country Club up to and including 7 days in advance.
2. Tee times may be made on-line at lochlandcc.com or by calling the Golf Shop at 462-8783 during established Golf Shop hours. If the telephone is busy, please try back again or go on-line to make a tee time. ***Please do not call the Clubhouse Office to request tee times.***
3. Lochland's automated tee sheet will accept up to 5 players in the tee time. When making a tee time from your Smartphone, please enter at least 5 names. If there are fewer than 5 players in an existing tee time, the system will add players in a particular tee time until 5 are reached. If you make a tee time for just yourself and one other person, the system will allow others to add to your tee time. If you do not wish to allow others to add to your tee time, the Golf Shop recommends filling in through the 5th spot with guests to prevent others from adding to your tee time. We can "remove" the guests once you check in at the Golf Shop.
4. If you wish to bring in a large group of players, please consult Lochland's Club Policies for Group Play. These policies are found immediately below.

13. HOLE-IN-ONE CLUB

HOLE-in-ONE CLUB (H.i.O.)

The Hole-in-One Club will be for BOTH men and women, and will work as such: There is no charge to be in the H.i.O. Club; however, when ANY of the H.i.O. club members has a hole-in-one, EACH member of the H.i.O. Club will be billed \$5. This money will go toward Golf Shop Credit for the member making the hole-in-one, or it may be used toward Clubhouse food and beverage charges. For example, let us assume that there are 150 men and women in the H.i.O. Club. If Mrs. Johnson is in the H.i.O. Club and makes a hole-in-one, each H.i.O. Club member will be charged \$5 on their bill. Mrs. Johnson will then be issued \$750 (150 x \$5) in Golf Shop or Clubhouse Credit.

The following stipulations will apply to the Hole-in-One Club:

1. It is the *sole responsibility of the Member* to make sure that he or she has signed up for, and is included on, the Hole-in-One Club Member List. ***Golf Shop employees, other than the Head Professional, are not allowed to sign individuals up for the Hole-in-One Club, without exception.*** An updated list of H.i.O. Club Members will be posted next to the Player's Lounge. If an individual's name is not on the list BEFORE he or she makes a hole-in-one, the hole-in-one will not be counted against the other Club Members. ***It is the Member's responsibility to check the list to make certain that he/she is included in the Hole-in-One Club.***
2. A hole-in-one must be witnessed by another individual over the age of 16.
3. The hole-in-one may be made by ANY member of the H.i.O. Club, male or female; Holes-in-One made on ANY temporary tees ahead of the WHITE scorecard yardage for Men and Women (like in the Round Robin) will NOT be counted.
4. Holes-in-one are not retroactive and MUST BE REPORTED IMMEDIATELY after the round of golf. The \$5 charge for each H.i.O. club member will also be applied immediately. Credit will be available after all H.i.O. Club members have been billed.
5. Holes-in-one do not count on mulligans, after a penalty stroke or after a whiff. The ace must occur on the first swing of that individual on that hole.
6. ***In order to NOT be charged for a Hole-in-One, you must notify Hank that you are dropping out of the HiO Club BEFORE the next hole-in-one is made.*** You cannot retroactively be removed from the list if someone else makes a hole-in-one and you do not want to pay or it. Remember: ***If you were thinking about removing yourself from the HiO club but were still on the list, you would expect to be paid if you made a hole-in-one yourself.***

SAVE \$100 in EVENT FEES BY JOINING THE...

LOCHLAND PLAYER'S CLUB (LPC)

Win a chance to play in a \$1,500 Horse Race AND a 2-Day "5 Points Bank Cup" Tournament against Southern Hills with LPC Cup Points!!!

The LPC is a program designed to reward those members who participate in our Men's golf events and to encourage those who have not participated in the past to join in on the fun. The LPC is a one-time yearly fee of \$125 (billed in April) that includes entry fees (except carts) for Men's Stags, the Lochland Club Championship, and both the Spring Start and Fall Finish. In addition, the prize pool will pay for low 18 hole net scores that will be available every non-event Saturday until 4PM. ***In order to be eligible for Saturday low Nets, individuals MUST turn their fully completed score cards to the Golf Shop.***

In 2018, we will again hold a "Top 10 and Ties" 9-Hole Horse Race for the Top 10 LPC point winners, who accumulate points by playing in LPC events. Here's how it works: We award points for places earned within flights in a combination of the events below. As an example, if your team gets 1st Place in the 2nd Flight of a Stag, each Lochland team member would be awarded 10 points. If you get 3rd place in your flight in the Club Championship, you would be awarded 2 points. At the end of the season, we will add up all the points earned, and **the Top 10 Point Winners (plus ties) will qualify for a Horserace scheduled for Sunday, Sept. 23rd.** The top 4 spots will split \$1,500 in Golf Shop credit (depending upon participation). **In addition...the top 9 finishers from the Horserace also qualify for a 2-Day, 5 Points Bank Cup against Southern Hills GC.** The Lochland Team will play the SHGC in 18 holes of Best Ball and 18 holes of Scotch on Saturday. On Sunday, the two teams will square off in an 18 hole Singles Match Play event, with the winners gaining "bragging rights" for the season. The 2017 Five Points Bank cup was won by Southern Hills GC, so Lochland will need to "step it up" a notch to win the cup (and the bragging rights) back. This is a GREAT way to cap off the competitive golf year, so do NOT miss out on this opportunity...sign up for the LOCHLAND PLAYERS' CLUB today!

The Sign-Up sheets for the Men's LPC will be posted next to the Player's Lounge on February 14th.

The following events are included in the LPC:

Spring Start (1-Person Scramble)

Men's Stags (May, June, July, August and September)

Men's Club Championship
Fall Finish (2-Person 18H Quota Point)

Members not wishing to participate in the Lochland Player's Club may still play in the aforementioned events, however they must pay the required event entry fee to do so. In addition, non-LPC members may not sign flag prizes on Saturdays.

Lochland Country Club Match Play Series

Last year's Match Play Series was a GREAT success, so we will again hold a summer-long Match Play event. This year, however, it will be a TRUE double-elimination event. If you lose your first match, you can still work your way back and win the entire event (however, you must beat the Winner's Bracket winner twice). The Match Play Series will be flighted by handicap index, and competitors will be allowed to set their own tee times and choose the set of tees the match will be played from. Matches will be set up by the competitors, but they must be completed according to a specified schedule. The Championship Matches will be determined by the end of August. Cost will be \$40 per person. See the rules for the series below:

1. There will be both a Men's and a Ladies' Division.
2. Competition will be flighted by USGA **Handicap Index** (all participants are required to have a USGA index).
3. Matches will be played with 80% of each competitor's USGA **Course Handicap**.
4. Competitors may select which tees to play for the match, but both MUST play from the SAME set of tees. If the players cannot agree on which set of tees to play, they will play from the Black Tees.
5. There is no restriction as to when matches are held; HOWEVER, all matches MUST be completed by the time table as established by the PGA pros after the field is set.
6. **If competitors do not play their match by the established deadline, there will be a coin toss to determine the winner**, unless one player FORFEITS. Example: Joe gives Bill 5 different dates he will be available to play. Bill cannot play any of the dates and gives Joe 2 alternate dates, neither of which work for Joe. Being the gentleman he is, Bill would forfeit because Joe made a better effort at getting the match scheduled. If Bill does NOT do the right thing and forfeit, a coin will be flipped and the winner will move on in the competition.
7. Golfers may choose to play their match at ANY golf course. You are not limited to playing at Lochland. Some members used this option in 2017.
8. If a player NO SHOWS for a scheduled match, that player automatically forfeits. Please make sure to get your matches done. The ONLY way a Match Play tournament works is if EVERYONE plays their scheduled match by each deadline.
9. Similar to the College World Series, **the Winner's Bracket Champion must be beaten twice for the Consolation Bracket Winner to win the entire Match Play Series** (both Winner's Bracket winner and Consolation Bracket winner would have one loss).
10. USGA Rules for Match Play will be followed, without exception.

Match Play is perhaps one of the most enjoyable forms of competition in golf. Most private clubs, however, steer away from Match Play due to the fact that many people are too busy in their personal schedules to complete matches. Match Play ONLY

works when all of the participants commit to playing their matches (even despite poor weather) on time. **We ask that you re-read the Rules above, and make sure that you agree with them before signing up.** We want this to be an exciting, enjoyable experience for everyone...if someone who is not committed signs up to play, it can ruin the experience for others.

Men's Evening League

Do not miss out on the most popular competitive golf event at Lochland Country Club... the 2-Man, 1 Net Best Ball Men's Wednesday Evening League match play begins April 18th (we will host a pre-League "Spring Training" Night on April 11th, the week before matches begin, to help explain the MEL procedures). The Men's Evening League sign-up sheet will be posted ***on the bulletin board outside the Player's Lounge*** on February 1st. Men's League will be two person teams, however, more than two people may be on the same team (we suggest having 3 persons on each team). ***PLEASE NOTE*** Golf Shop employees ***WILL NOT BE ALLOWED TO SIGN UP TEAMS...*** each team will have a Team Captain who will be responsible for signing up the team. We will again have a Seniors' Flight for members 60 years of age and older. **Sign-up deadline for Men's Evening League will be April 1st so that we may set up the pairings and post them to our website. The first night of League is April 18th, so PLEASE SIGN UP YOUR TEAM AS SOON AS POSSIBLE!!!** For more information on Men's League, please see the *Men's Evening League* section of this Golf Program booklet.

New in 2018...the LAST Wednesdays of April, May, June and July will be a 2-Man Cumulative Scramble!!! To add a new twist in 2018, the nights of April 25th, May 30th, June 27th, and July 25th will be 2-Man Scrambles with a payout separate from that of the regular 2-Man, 1 Net Best Ball League. The final night of the 1 Net Best Ball version will be August 29th.

Men's Stag Events

All Men's Stag events will be 2:30PM shotguns, and the sign-up sheets will be posted ***on the bulletin board outside the Player's Lounge*** three weeks prior to the scheduled event. Following is a listing of each Stag Event, date and format:

<i>5 Points Bank May Stag</i>	Fri., May 25 @ 2:30PM	4-Man Scramble
<i>Pinnacle Bank June Stag</i>	Fri., June 29 @ 2:30PM	Wolf Scramble
<i>Great Western Bank July Stag</i>	Fri., July 27 @ 2:30PM	Pink Lady 2 net BBall
<i>Butler/Volland August Stag</i>	Fri., Aug 31 @ 2:30PM	1-2-3 Net BBall
<i>Sept. Stag</i> (Sponsorship available)	Fri., Sept 21 @ 2:30PM	4-Man Scramble

The price to play in Men's Stags is FREE if you are a Lochland Players' Club Member (LPC) or \$35 early fee/\$45 late fee for non-LPC members and \$45 early fee/\$55 late fee for guests. Carts are separate charges.

IF YOUR COMPANY WOULD LIKE TO "SPONSOR" A STAG, PLEASE CALL HANK AT 462-8783.

PEPSI Scramble

The date of this year's Lochland/PEPSI Scramble is Friday, June 1st (practice round), Saturday, June 2nd and Sunday, June 3rd. We will offer a Senior Division with 2 Flights...a Championship Flight and a 1st Flight. In the Senior Divisions, all 4 members of the team must be 55 years of age and over and will play from the White Tees. Due to the fact that we are limiting the total field to the first 68 teams, Lochland members will be allowed to sign up their Pepsi teams from March 1st until March 15th. Non-members will not be allowed to sign up until after March 15th.

Lochland Country Club Men's League

New in 2018... Final night of April/May/June/July will be a 2-Man Scramble! See details below under "Format" section.

Entry Deadline: *April 1st (After schedules are completed and posted to the website, we can no longer add teams).*

“Spring Training Night” April 11th; Cocktails and Hors d'oeuvres at 5:45PM;
No golf tonight

1st Session: Apr 18/25(scramble); May 2/9/16/23/30(scramble);
Jun 6/13/20(Final Night, Session #1) All MEL starts are at
5:45PM.

2nd Session: Jun 27(scramble); Jul 4/11/18/25(scramble);
Aug 1/8/15/22/29. Final night/Dinner 8/29. **Awards
dinner after golf.**

Time:

Be at your tee and **ready to start** at 5:45 PM. If one of your team is going to be late, the match must still start at 5:45. If a team does not show before 5:50, they will automatically lose the first hole. ***Please call the Golf Shop Wednesday morning at 462-8783 if your team has found a substitute player.***

Format:

2-Man, 1 Net Best Ball team match. Teams will be 2 man teams; however, more than 2 men may be on each team. ***Recommended team size is 3 individuals.*** Each team will decide who will be playing that day and contact the golf shop. There will be a Senior Division for men 60 years of age and older. Teams will be divided into flights depending upon handicap and number of teams. There will be 2 Sessions. The Final Night of Session #1 will be June 20th. 1st Place team plays 2nd Place team, 3 Place plays 4th Place, etc. Teams may “leap frog” other teams on the Final Session Nights. Winners will be based on the session point total (not from just this night). Official Session #2 begins on July 4th with all teams starting over with 0 points. If Final Session nights are rained out, results as of the prior week will stand as final.

New in 2018...the LAST Wednesdays of April, May, June and July will be a 2-Man Cumulative Scramble!!! To add a new twist in 2018, the nights of April 25th, May 30th, June 27th, and July 25th will be 2-Man Scrambles with a payout separate from that of the regular 2-Man, 1 Net Best Ball League. The final night of the 1 Net Best Ball version will be August 29th.

Scoring:

Team Net Best Ball- 1 Point is awarded for each hole won. Ties will be ½ point for each team on that hole. Low handicap player out of the 4 players plays to a 0 handicap and other 3 players subtract lowest player's original 9 hole handicap from their own 9 hole handicap. At the completion of play, team captain will fill out COMPLETE hole-by-hole scores and the TEAM SCORES on the scorecard and turn in to the golf shop. There will be 8 nights of Net Best Ball play in both Sessions.

Team 2-Man Scramble- On the last night of April, May, June, and July, each 2-Man team will play a handicapped scramble. Both players tee off, the best shot is selected, and both players play again, selecting each BEST shot. Low nets will be recorded, and the top 3 teams in each flight which have the lowest cumulative total for the 4 nights will win prize money.

Rainouts:

If rained out before 5 holes are completed by all teams, all matches are cancelled and no points are awarded. If match is rained out after 5 holes or more are completed, points won at the halt of play will be counted.

Forfeits:

Winning team gets 6 points, forfeiting team gets 0 points.

Turning in Scorecards:

It is ***BOTH*** teams' responsibility to make sure that the scorecard is accurate and is turned in to the Golf Shop immediately after completion of the match. If a scorecard is NOT turned in immediately to the Golf Shop, the match will be considered a TIE and both teams will be assigned 4 ½ points.

Substitutes: **Please Note* Due to several Member complaints, the Golf Committee voted unanimously to require that all substitutes be members of Lochland Country Club. Guests will no longer be permitted to substitute in MEL. Substitutes in the Senior Division must be 60 years of age or older. In addition, the Golf Committee ruled that substitutes on Session Final Nights must play at a handicap equal to or lower than the individual they are replacing.* It is the responsibility of the person who is going to be gone to obtain a substitute. Due to complaints from subs over the large volume of calls they are receiving, the Golf Shop does not supply a Sub List. Call the golf shop Wednesday morning to let us know if you will be able to substitute if you are out of your team's rotation. Substitutes are not required to be members of the League Association, however they will not be eligible for prizes.

Byes: Depending upon the number of teams in each flight, it may be necessary to have byes. Teams receiving a bye will be awarded 4 ½ points for that night.

Cost: Cost for Men's League will be \$170 per 2 man team. 3 man team cost is \$199. This includes your team entry fee and the awards dinner following the Final Night of the 2nd Session.

Handicap Reporting: In order to participate in MEL, you must be registered in the GHIN handicap reporting system. ***AS A REMINDER...THE GOLF SHOP WILL BE POSTING ALL MEL 9-HOLE SCORES.*** During play, the team captains are responsible for making sure that a score is posted for each player for each hole, and the total is added up and indicated on the scorecard. If you do not finish a hole, simply write down the "most likely" score you would have attained, as long as it is below the Equitable Stroke Control limit as posted by the Handicap Computer in the Player's Lounge. Assume you will hit the green from 100 yards and in, and count every putt over 4 feet long as a 2-putt.

PLEASE LET THE GOLF SHOP KNOW IF YOU WANT AN ELECTRIC CART AND THE 2 PLAYERS WHO WILL BE PLAYING THAT NIGHT. THIS WILL ALLOW US TO HAVE YOUR CLUBS READY WHEN YOU ARRIVE. THANK YOU!

Please Note: **Signing up for Men's League must be done by one member of the team. Golf Shop employees will not be allowed to sign up individuals or teams.**

Men's Fall League

Back by popular demand, the participants in MFL have a fantastic time playing different formats each week! The formats are fun, but do not "require" you to participate every week (we hope you will want to be there each week, but we understand this is not always possible). Men will sign up as a 2-man team. Each night will be a separate event with each team playing against the field. There will be a separate payout for each night. A Sign-Up Sheet for Men's Fall League (MFL) will be posted in the hallway next to the Player's Lounge on July 1st. **The deadline for MFL sign-up will be August 14th.**

Wed 9/5	5:00PM	2-Man Scramble
Wed 9/12	5:00PM	2-Man 3/3/3
Wed 9/19	5:00PM	2-Man Best Ball
Wed 9/26	5:00PM	2-Man Shamble

Ladies' Golf Programs

Lochland Country Club Ladies' Match Play Series

In 2018, we will hold a summer-long, double-elimination Match Play event. This is similar to last year's event which had a Consolation Bracket. The difference is that in 2018, you can still compete for the overall Match Play Champion with a loss. This event will be flighted by handicap index, and competitors will be allowed to set their own tee times. Matches will be set up by the competitors, but they must be completed according to a specified schedule. The Championship Matches will be determined by the end of August. Cost will be \$40 per person. See the rules for the series below:

1. There will be both a Men's and a Ladies' Division.
2. Competition will be flighted by USGA ***Handicap Index*** (all participants are required to have a USGA index).
3. Matches will be played with 80% of each competitor's USGA ***Course Handicap***.
4. There is no restriction as to when matches are held; HOWEVER, all matches MUST be completed by the time table as established by the PGA pros after the field is set.
5. If competitors do not play their match by the established deadline, BOTH players will be disqualified, unless one FORFEITS. Example: Joe gives Bill 5 different dates he will be available to play. Bill cannot play any of the dates and gives Joe 2 alternate dates, neither of which work for Joe. Being the gentleman he is, Bill would forfeit because Joe made a better effort at getting the match scheduled. If Bill does NOT do the right thing and forfeit, BOTH competitors are disqualified.
6. If a player NO SHOWS for a scheduled match, that player automatically forfeits and does NOT move on to the Consolation Bracket. The ONLY way a Match Play tournament works is if EVERYONE plays their scheduled match.
7. Similar to the College World Series, **the Winner's Bracket Champion must be beaten twice for the Consolation Bracket Winner to win the entire Match Play Series** (both Winner's Bracket winner and Consolation Bracket winner would have one loss).
8. USGA Rules for Match Play will be followed, without exception.

Match Play is perhaps one of the most enjoyable forms of competition in golf. Most private clubs, however, steer away from Match Play due to the fact that many people are too busy in their personal schedules to complete matches. Match Play ONLY works when all of the participants commit to playing their matches (even despite poor weather) on time. We ask that you re-read the Rules above, and make sure that you agree with them before signing up. We want this to be an exciting, enjoyable experience for everyone...if someone who is not committed signs up to play, it can ruin the experience for others.

Wednesday Morning 9 Holers

We started a new Ladies' event on Wednesday mornings for those ladies who want to just play 9 holes, have a little fun, and NOT have to pay for prizes. We will have a different format every Wednesday morning, and we will keep a "Weekly Champions" Board up in the Ladies' Locker room that denotes that weeks' winners. There will be no prize money, therefore no cost as well. You may make a tee time as an individual, or as your own group. After playing 9 holes, you may continue on and play 18 if you wish. The key is to just have fun, relax, and enjoy your friends!

Ladies' Thursday Evening Golf (LTEG) **NEW in 2018... "No Sweat" Scramble Division**

For LTEG in 2018, we will have 3 separate divisions: For the **1st Division**, we will have a competitive 2-Lady, 1 Net Best Ball division similar to the Men's Evening League. You will sign up as a team of 2 ladies (more than 2 may be on a team, however), and you will play another 2-lady team in a 9 Hole, 1 Net Best Ball match. This is a hole-by-hole competition, with each hole being worth 1 point (1/2 point for a tie). The one change we are making in 2018 is that forfeits will win only 5 points instead of 6.

In the **2nd Division**, ladies sign up as 4-lady teams, and we count **only 1 Net Best Score per hole** of the 4 ladies. We will keep a running total for each of three (3) sessions for the summer (May, June and July). The 4-lady team concept was designed in order to allow ladies to play with their own groupings, but also allow them to substitute in other members if someone from the original 4 cannot be present. If not all 4 can be present, the team can still post a score for the evening if only 1, 2 or 3 of the original members can play. By using the 1 Net Best Score format, ladies can still compete without being discouraged by a bad hole or two. This format will reduce the pressure to "perform" a little, but it will still give those wanting to post a good score a chance to compete.

For the **3rd ("No Sweat") Division**, ladies sign up as 4-lady teams, and **will play a 4-Lady Scramble**. Each player will tee off, the best shot is selected, and each player will hit her 2nd shot from this location. The best shot is selected, and everyone plays from that spot. This is continued until the ball is holed. The "Scramble" Format is the LEAST stressful form of golf. Teams can even post a score if only 1 or 2 players can attend for the evening.

Cost:

The cost to play in Ladies' Thursday Evening Golf will be \$120 per team for the 4-Lady Divisions and \$90 for the 2-Lady Division. Carts are separate charges. As a reminder, you must have a GHIN handicap (or be enrolled in the GHIN system) to participate in LTEG. Ladies not currently in the GHIN system will be added after signups are complete.

Formats:

2-Lady Teams: We will have a hole-by-hole, 2-Lady, 1 Net Best Ball Match. Each hole is worth 1 point, 1/2 point for a tie. You will be paired against another

2-Lady Team in your flight. Similar to Men's Evening League, **2-Lady teams cannot use Non-Lochland Member substitutes.** There will be a running team total, and there will be a payout for all 3 sessions. Forfeits are worth only 5 points in 2018.

4-Lady Net Best Ball Teams: Each lady will play her own ball and we will count 1 Net Best Score for each team (all 4 team members do NOT have to be present, and substitutes may be used as well). Even if only 1 of you can play, your team can still post a team score. There will be a running team total, and there will be a payout for all 3 sessions.

4-Lady Scramble Teams: All players tee off and the BEST drive is selected. All players play from this spot. This is continued until the ball is holed. If only 1 lady from the team is available, she may hit 2 shots each time and take the better of the two. 2-lady, 3-lady and 4-lady combinations may only hit one shot each. There will be a payout for all 3 sessions.

Time:

Ladies will shotgun off both 9's at 5:45PM.

Session Dates/Event:

Thu 4/19 "Spring Training" Night, 5:45PM Cocktails, hors d'oeuvres, and a discussion on 2017 Ladies' Thursday Evening Golf procedures.

Session #1 Dates: 5/3, 5/10, 5/17, 5/24, 5/31(Final Night)

Session #2 Dates: 6/14, 6/21, 6/28 (Final Night) *no golf on 6/7 due to S.Hills Round Robin

Session #3 Dates: 7/5, 7/12, 7/19, 7/26(Final Night)

Handicap Reporting: In order to participate in LTEG, you must be registered in the GHIN handicap reporting system. ***AS A REMINDER...THE GOLF SHOP WILL BE POSTING ALL LTEG 9-HOLE SCORES.*** It is the responsibility of golfers to post their own scores on any day other than LTEG. During League play, the team captains are responsible for making sure that a score is posted for each player for each hole, and the total is added up and indicated on the scorecard. If you do not finish a hole, simply write down the "most likely" score you would have attained, as long as it is 10 or below. If the score would be more than 10, just record a 10. Assume you will hit the green from 50 yards and in, and count every putt over 3 feet long as a 2-putt.

Lochland Junior Golf

Junior Golf is the **LIFEBLOOD** of any private club. Lochland Country Club and its professional staff are deeply committed to improving the interest and skills of our Club's Junior Golfers. Due to an increase in the number of Junior Golfers at Lochland Country Club, we significantly changed our Junior Golf Program to a more in-depth **Junior Golf Academy**. In 2016, we moved junior golf from Fridays to Tuesdays so that we could spend more time with each age group, and the positive feedback was overwhelming. Each junior learning session will include in-depth instruction, supervised practice time, and will be followed by a chance to go play golf. Practice time will focus on what was learned in the clinic that morning and we will be using drills that emphasize the lesson plan. We will again divide each session into different segments to keep the information fresh and the kids engaged. Additionally, we will be spending more time on the golf course in learning groups so they get more "hands on" learning opportunities. By utilizing instruction, supervised practice time and then application on the course, the kids that are interested in becoming competitive golfers will learn more effectively.

Junior Golf Academy and Junior All Sports Program sign-up forms will be emailed to our membership on April 15. Please fill out the Entry Form completely and return it to the Golf Shop or mail it c/o Hank at Lochland CC, P.O. Box 1011, Hastings, NE 68902.

Junior All Sports Program (J.A.S.P Camps)

Lochland's JASP is beginning its 34th year and is one of the cornerstones of the member programs we offer to our families. The positive impact we offer to your child in the three life sports (golf, tennis and swimming) will allow them many opportunities for growth in the future. Due to safety considerations and the popularity of the Camp, the Camp will be split into two, 4-day sessions. Open to children ages 5-10, your Junior may pick either the 1st week or the 2nd week, but not both. This program is also available to grandchildren of our members. Lessons rotate on 45 minute intervals. The fee for the Camp is \$75 per Junior. Both camps will end with a Pool Party starting at 12PM on the last day of each Camp. Age appropriate golf equipment will be provided for Junior ages

5 through 8. Junior ages 9-10 will need to bring their own golf clubs. All Juniors will need to bring swimming and tennis equipment.

Camp #1 June 12-15 (Tue.*-Fri.)**

Camp #2 June 19-22 (Tue.*-Fri.)**

*Please Note: We will meet at 8:45AM on the first day of Camp so the children will get checked in and receive instructions. Other days start at 8:55AM.

Please Note: **IF WE HAVE INCLEMENT WEATHER, PLEASE HAVE ALTERNATE PLANS FOR YOUR CHILDREN. Due to Lochland's busy calendar, it is not possible to schedule make-up days for days lost to rain/lightning. If 2 days or more are cancelled due to weather, a portion of your fees will be credited.

Cost for participating in the J.A.S.P. Camp sessions will be \$75 per student.

Lochland Junior Golf Team Competition

This "travelling team" opportunity run by the Nebraska Golf Association was a big hit with the kids, and we will participate in this wonderful program again in 2018. Teams will be open to all Lochland children participating in ANY of the three Lochland Junior Golf Programs. Each 6-person team can be made up of any combination of girls and boys ages 7-11. There will be a separate division for GIRLS ONLY at ages 12-13.

These events will be made up of 9 Hole, 2-Person Scrambles, with each 6-player team made up of three 2-player squads. The children will play a modified version of a Scramble, and points will be awarded to teams for winning a hole. Strokes taken will not be announced to help keep the event fun and stress-free.

In order for your child or grandchild to participate in the program, the following stipulations must be met:

- 1- Each child will be registered with the Nebraska Junior Golf Tour
- 2- Each individual tournament played will have its own \$25 per child Entry Fee
- 3- Two parents from each 6-child team must be available to transport and chaperone children to and from and during the golf tournament
- 4- Each child must be able to attend the agreed-upon tournament(s) or find a substitute in the same age group. Cancellations absolutely ruin the experience for the Team Members. Event selection will start sometime in April after the NGA has set the schedule for the summer.
- 5- Each child/parent must be willing to follow the rules for the NJGT Team Golf Program. These rules may be found in the handbook found on the NJGT website at njgt.org.
- 6- Cost for the program will be \$179 per child. This includes your NJGT fee three tournament fees and a team shirt.

If you would like your child to participate in this team competition, please contact Hank as soon as possible. Hank will assign you to a team, unless you would like to form your

own team of 6 children. Teams may be made up of ANY combination of boys and girls. You may have all girls, all boys, or a mixture of the two.

Junior Golf Sign-Up Information

Due to the high cost of sending entry forms via U.S. Mail, we will email Junior Entry Forms out to members the week of April 15th. Please fill out the form completely and either mail the form back to us or drop it off at the Golf Shop. We will also email a Junior Club Championship Entry Form the week of June 20th. We will need to have the form on file in order to make tee times/pairings for the Junior Club Championship.

Please make sure to include your children's full names and ages on the entry forms.
