Women golfers schedule tourneys

By ANNE WATTLES
Tribune Staff Writer

Nebraska Women's Amateur Golf Association Day or more simply called NWAGA Day have been held this spring and will be held this summer by the three clubs in Hastings.

There are 1,400 individual members of NWAGA, including about 160 women from Hastings. Southern Hills Country Club, Lochland Country Club and Elks Lodge and Country Club are three of the 57 NWAGA member clubs.

Any female resident of Nebraska can be a member.

NWAGA was formed over 50 years ago along with the first State Championship Tournament. Since its beginning in 1916 the tournament has been canceled only seven times, due to WW I and II.

During the summer of 1973 NWAGA underwent a new format. The reason for the change was that the organization felt that many women were interested in golf, but not in the tournament. So NWAGA Day began to get more women interested in the organization. There still are State Championship Tournaments held.

Southern Hills hosted NWAGA Day May 29. There will be a sudden-death playoff Tuesday at Southern Hills to break the three-way tie in the 9-hole division between Wilma Jones, Pam Meyer and Marilyn Bergman.

Jan Fricke was the winner in the 18-hole division.

After the day of golf Southern Hills had an evening dinner and award presentation.

Lochland hosted NWAGA Day Thursday and had 64 participants. Winners were Alice Hogan in the 9-hole division and Barb Miller in the 18-hole division. Florence Hunter and Phyllis Glass won the low gross and low net respectively.

There was a luncheon for the participants in the home of NWAGA member Mary Walley.

The Elks will hold their NWAGA Day Tuesday beginning at 8:30 a.m. Awards will be presented at their "Monthly Stagette" June 21.

But NWAGA just doesn't play golf. The Nebraska Women's Amateur Golf Association Scholarship was started by the organization. In 1979, NWAGA awarded a \$650 scholarship to the University of Nebraska Girls' Golf team to be given to a resident of Nebraska.

NWAGA has a state board that meets three times a year and consists of an executive board and committees. Tribrand residents who are on the executive board include president Anna Marie Hanich of Holdrege and Mary Walley of Hastings, editor of "Tee Off Time," NWAGA's official publication. Jan Fricke of Hastings is the nominating committee chairwoman.

NWAGA club members send representatives to the state board meetings.

City Tournament
June 28 & 29, 1979

This has been a busy month for we women golfers. On May 29th, over 60 golfers participated in our NWAGA Day, followed by a lovely (and fun) luncheon hosted by Mary Walley in her home, assisted by our NWAGA chairwomen Judy Anderson and Jane Johnson. Winners of this event were Barbara Miller for low net and Phyllis Glass for low gross in the 18 hole division and Alice Hogan for low net and Florence Hunter low gross for the 9 holers.

Our first Round Robin was at Lochland on June 5th when we hosted over 160 women from the three Hastings clubs. (Flashlights could have been used for the last few foursomes but the lack of light didn't seem to hurt some of the scores!) The low net players from our club were Mary Ann Sutcliffe, Dianne Atchity, Dorothy McArthur, Sue Sondag, Elsie Karmazin, Judy Anderson, Ellen Haskins, Mary Jo Emmons, Dona Landgraf and Alice Hogan. (Seva Hopp and Cindy Bonahoom also tied for 10th place.) Final results of the first round were Elks-368, Southern Hills-333 and Lochland winning the day with 304. Low gross was 44 won by Phyllis Glass and low putts by Mary Jo Emmons with only 12 putts. (I hope

everyone had a good time and is looking forward to the 2nd round at Southern Hills on July 24th). A special thanks to Steve Cox and his crew, Bob Hall and his staff, Edie Perdw, Shirley Aabel, Bonnie Brock and Mary Walley for their time and effort.

I am writing this preceding the City Tournament but I can tell you the results of our marvelous day as guests of the Riverside club in Grand Island on June 13th. Although the hostesses won handily, we all enjoyed their hospitality, beautiful course and delicious luncheon. The ten low net winners from our club were Edie Perdw, Alice Hogan, Ellie Roberts, Anne Friend, Dee Burchess, Judy Anderson, Elsie Karmazin, Barb Miller Marilyn Jarvis and Mary Jo Emmons. I hope we will have a good showing and make them feel as welcome on August 14th when they visit us.

Remember you beginning golfers, keep hitting them when you can and smile! Anyone who prefers to play on Tuesday evenings, be there by 5:30 or call Ellen Haskins, our evening chairwoman. Please call me anytime if you have any questions or suggestions for the good of the association.

Marilyn Jarvis, president

It hardly seems possible that August is here already. Didn't we just start golf season?

Participation in the Tuesday Ladies Golf Activities has been growing by leaps and bounds. We now have over sixty women treading the fairways. Because of this great turn out, we found it necessary to set tee times. This is the fairest way to give everyone an equal chance at play.

18 hole golfers will tee-off from 8:00-8:30 a.m.

9 hole golfers will tee-off from 8:30-9:30 a.m.

Call the pro-shop for tee times. Our golf committee and Steve are doing a fine job.

Congratulations are in order for Barb Miller, Lorretta Boumann, Nadean Hoelck and July Anderson, as they brought home a magnificent trophy from Alma July 10th. Not only did they win, but they did so by 20 strokes over the second team. Good playing gals!

We hope that most of you will be here to help us entertain the Riverside ladies from Grand Island on August 14th. We would like to return the wonderful hospitality which they extended to us in June.

Last, but not least, thanks to Steve and the men's Board for extending the ladies' hours on Saturday. This should please many of you. The only time closed to us that day is from 12:00-1:30.

Final summer golf day for ladies is August 28th. Individual and team prizes will be at 12:00 p.m.

See you on the course!

Women's Golf News

This will be my farewell address as we are leaving the Hastings area with regret. It has been a great pleasure serving as your president this past year. With tremendous cooperation from all of you and a marvelous board, it has been a very easy job. All of my committees deserve a round of applause but a special consideration goes to Barb Miller, Billie Drake and Ellie Roberts as golf chairmen and the real strong cogs in the wheel. My hope is that some of you who have not served as an officer or on a committee, will realize the benefits to you in learning the "workings" of the organization and getting better acquainted with your golfing partners. After all, sharing the responsibility is what makes our organization run, so when you are

called, please consider a positive answer! By now you must know who our winners of the club championship tournament are, but here is a run down.
